Forward-Looking Statements

This press release contains forward-looking statements (as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended) concerning future events. Words such as "may", "should", "expects", "intends", "plans", "believes", "anticipates", "hopes", "estimates" and variations of such words and similar expressions may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. These statements involve known and unknown risks and are based upon a number of assumptions and estimates, which are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. Actual results may differ materially from those expressed or implied

by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, shipping industry trends, including charter rates, vessel values and factors affecting vessel supply and demand; the impact of changes in regulatory requirements or actions taken by regulatory authorities on the Company's operating or financial results; the Company's financial condition and liquidity, including its ability to service its indebtedness or to pay dividends; competitive factors in the market in which the Company operates; increased operating costs associated with vessel aging; vessel damage; future, pending or recent acquisitions and dispositions, business strategy, areas of possible expansion or contraction, and expected capital spending or operating expenses; dependence on affiliates of the Company's former parent and third-party managers to operate the Company's business; availability of crew, number of off-hire days, classification survey requirements and insurance costs; changes in the Company's relationships with contract counterparties; potential liability from future litigation and incidents involving the Company's vessels; broader market impacts arising from war (or threatened war) or international hostilities, such as between Russia and Ukraine; risks associated with the length and severity of pandemics (including COVID-19), including their effects on demand for crude oil, petroleum products, dry bulk products, other types of products and the transportation thereof; and other factors listed from time to time in the Company's filings with the SEC, including its registration statement on Form 20-F. The Company's filings can be obtained free of charge on the SEC's website at www.sec.gov. Except to the extent required by law, the Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
